MIDLANDS REGIONAL CONFERENCE - MOVING FORWARDS

Wednesday 5 February 2025, Birmingham

This networking and information conference gives you the opportunity to hear about developments in adult social care, including Department of Health & Social Care workforce related priorities and how providers can be supported in relation to recruitment, retention, training and transformation of service delivery.

BOOK YOUR TICKETS at <https://www.skillsforcare.org.uk/news-and-events/Events/February/East-and-West-Midlands-regional-conference-%E2%80%93-moving-forwards.aspx>

Please note numbers are limited to one delegate per organisation

From Wednesday 18 December 2024, Leicester's Hospitals will be asking all colleagues and visitors to clinical areas to wear surgical masks, which will be available at main entrances.

This decision, made in consultation with our clinical management groups, is due to the high levels of winter viruses in our communities, increasing numbers of patient cases in our hospitals, and to manage colleague absence levels, so that we can continue to provide safe and effective care.

If you would like to submit an article in our newsletter please submit an article of no more than 300 words. The criteria for an article is that it be something that benefits the adult social care workforce. It could be good practice, hints and tips or something to support staff's wellbeing for example. Please submit your article by any Thursday noon.

Please note that only sponsors of our Care Professional of the Year Awards will be allowed to advertise in this newsletter.

Please submit articles to inspiredtocare@leics.gov.uk
